

## NNEC-SIA Spring Tour

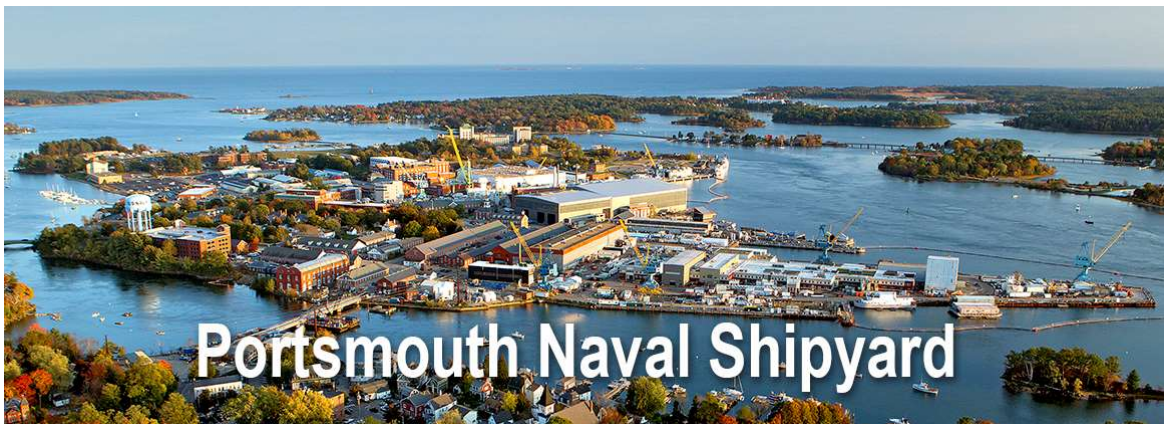

Friday June 2, 2023, Portsmouth, NH 9:45 AM, rain or shine

**NOTE:** Preregistration required for the Navy Yard. [RSVP to dunmark@tds.net](mailto:dunmark@tds.net)\* by May22nd!

RSVP must include your *name, address* and a say *yes* if you are a *US citizen*. Bring your driver's license to get in. Due to the bus size, only the first 30 people to respond will get into the yard.

Our cars will be left at Albacore Park, which we will come back to and tour after lunch. The park has restrooms and free parking, but we'll have to pay to tour the submarine and museum. For information and directions, click here [www.ussalbacore.org](http://www.ussalbacore.org) click on "Visit" and then "Directions".

The shipyard will give a bus-tour of the base with a historian speaker. Then we will visit the yard museum. Box lunches will be provided (or BYO) to eat at the outdoor pavilion, bring \$14 cash or a credit card for the lunches. Cameras OK. Google "Portsmouth Naval Shipyard" to learn more.

Arriving back at Albacore Park, around 1:00 PM, there will be a choice of touring there (at \$11 each) which would take 1 to 2 hours or proceeding up to Fort McClary in Kittery, ME, very close. Or anyone can do both. Directions to the fort will be handed out. Type in "Fort McClary" for website options to learn more. E-mail \*David Dunning with questions or call 603-526-6939.
