

## **SNEC Fall Tour and Annual Meeting**

### **Charles River Museum of Industry & Innovation**

154 Moody Street, Waltham, MA

Saturday, October 21, 2023

10:00 a.m. to 12:30 p.m.

Meet at the entry to the Charles River Museum.

SNEC will hold its annual meeting at the Charles River Museum of Industry & Innovation! The museum is located in what had been a powerhouse of the former Boston Manufacturing Co. textile mill complex in Waltham.

The program for the day will begin with a tour and overview of the history of the mill complex, “The Mother of All Textile Mills,” led Bob Perry, the Executive Director of the museum. The tour will circle through the mill site, for about 1 ¼ hours.

Following the tour, attendees will have time to visit the museum, see the exhibits and some of the machines in its collection in operation. SNEC member and museum volunteer Robert Timmerman will be on hand to explain the machinery.

From noon to 12:30, SNEC will hold its annual meeting at the museum, where we will elect officers for 2024 and discuss the business of and projects for SNEC.

Attendees can spend more time at the museum, following the meeting (until 2:30 p.m.).

There is no charge for members to attend the program. The optimal size of the tour is 20; members will be signed up first come, first served (guests are welcome if there is room). There is no limit to the number who can visit the museum and attend the annual meeting. To sign up to participate, please email Leonard Henkin [lah2004@gmail.com](mailto:lah2004@gmail.com)

For further information on the museum and parking information, see the website Charles River Museum or call the museum at 781-893-5410.
